Dear Jen:

I am writing to express my appreciation to you and your able crew who painted our group room at Cape Ann Families. The walls hadn't been done for at least ten years so your efforts really made a difference. I particularly appreciate your thorough follow-up with the shelves and your research about the TV wall mount. It's obvious that you truly care about others and give 100% of your effort.

It was a pleasure to work with you. Thank you again for choosing Wellspring House as the recipient of your good deed for the month and your professionalism in getting the job done. There are many ongoing volunteer opportunities here at Cape Ann Families and at Wellspring House as a whole if you or any other person at the NMFS would be interested in learning more. Please pass on my thanks to the rest of the painting crew. Take care.

Sincerely,

Stacy Randell
Director
